PROFESSIONAL SUMMARY

Diligent and forward-thinking Cybersecurity Master's student with a focus on creating and implementing effective security measures. Seeking opportunities to apply theoretical knowledge and hands-on skills to contribute to a dynamic cybersecurity environment. Aiming to leverage academic excellence, practical experience, and a passion for staying current with industry trends to enhance information security and address evolving cyber threats.

EDUCATION

Masters : Cybersecurity, Expected in 08/2026
Grand Valley State University - Allendale, MI

Bachelor of Science: Humanities and Commerce, Physical Sciences
(Mathematics, Statistics and Computer Science, 06/2023)

Bhavans Vivekananda College of Science

Studied a comprehensive curriculum integrating Mathematics, Statistics, and Computer Science. Key courses include Advanced Calculus and Linear Algebra (Mathematics), Probability and Statistics, and Regression Analysis (Statistics), along with Data Structures and Algorithms and Software Engineering (Computer Science). This coursework has honed my analytical, problem-solving, and software development skills, providing a robust foundation for interdisciplinary challenges.

PROJECTS

- Prevention of Credit Card Fraud
- Credit card fraud prevention is an ongoing process that requires collaboration between data scientists, domain experts, and security professionals using python, with its rich ecosystem of libraries, is a valuable tool for implementing various fraud detection techniques.

WORK HISTORY

Intramural Sports Official

Grand Valley State University - Allendale, MI

- A conscientious and impartial Intramural Soccer Official committed to fostering sportsmanship and creating a positive playing atmosphere. Tasked with overseeing intramural soccer matches, enforcing regulations, and guaranteeing a secure and enjoyable experience for participants. Proficient in handling on-field dynamics, diplomatically resolving conflicts, and maintaining the integrity of the game.
